

2022 Summer Financial Aid Request Form

Students wishing to receive financial aid for summer sessions should take into consideration the following:

- You must be admitted into a degree program.
- All summer courses MUST be applicable to your current degree program to receive aid
- Any Federal Direct Student Loans you receive in the summer will reduce your loan eligibility during the academic year or in a subsequent year
- Any Federal Pell Grant you receive in the summer may reduce your Pell eligibility during the academic year or in a subsequent year

Taking courses at another college?

To receive aid for those courses, you must complete the Cross Registration process on the Registrar page. To be aid eligible, the course must transfer back into your degree program. **Be prepared to pay for your course upfront and be reimbursed by aid later.** Not all schools participate in this process, especially during summer. Be sure to check with the other school for their policy when signing up for the courses.

The deadline for Summer 2022 is Monday, May 30st, 2022.

There are several types of financial aid available for summer study. There are different eligibility criteria for each fund type. Your eligibility for each program will be determined by a member of the Financial Aid staff.

Federal Pell Grant	Must be Pell eligible
Federal Direct Student Loans	Must be registered for at least 6 credits
Federal Direct Parent Loan	Must be registered for at least 6 credits
Private loans and other third-party grants	Refer to the lender for specific eligibility requirements
