

## How to Access Tutoring

Students have two options for working with tutors who are available in person: drop in or book an appointment at least 24 hours in advance. Please see the tutors and their tutoring hours below. They are listed under the subjects and by the specific courses they can tutor. NightOWL online tutoring is all drop-in, so appointments aren't possible. As with face-to-face drop-in tutoring, students are helped on a first-come, first-served basis in NightOWL.

To schedule an appointment with a face-to-face tutor, follow these steps:

1. Log in to Starfish.
2. Go to your Courses page.
3. Find the course you would like to work on with a tutor.
4. Click the Schedule Appointment link in The Tutoring Center box next to that course.
5. Follow the steps to select an appointment time and confirm the booking. You will receive an email confirming your appointment has been booked. The appointment will also show on your Starfish Upcoming page (where you can later cancel it using the three dots if you cannot keep the appointment).

If you do not see any available times in Starfish, we do not have tutors for that class, or the tutor(s) are fully booked. You may still drop by to see if tutors can help you on a walk-in basis when students cancel or don't come to their appointments.
